Debts and bills to pay first!

It is important to deal with priority debts and bills first. These include things like:

- rent and mortgage
- gas and electricity
- council tax
- court fines

Other debt and bills that have less risk if you miss a payment, but you should not ignore, are:

credit card and store card debts, payday loans and other unsecured personal loans, and catalogue debts.

Debt advice

If you have debt, we know it can be overwhelming. It's important to know you're not alone, and there are organisations that can help:
